Guys and Dolls Revue (Brisbane) presents a new production of the musical murder-mystery, DROP DEAD DISCO.

Licensed exclusively by Mystery Factory.Com
Conceived by Juanita Rose Violini
Directed by Kirstin Mclean

WHAT IS DROP DEAD DISCO?

Only the hottest discotheque this side of the Seventies! The infamous Blend siblings are using their club, Drop Dead Disco, to host a special event; the "Staying Alive" Dance competition. But it will be *Murder on the Dance Floor* before they are through.

The cast: club owners Paulie, Esther, and Cotton Blend, Stevie the DJ, Hugo the bouncer, Donna the disco diva, and the shady Elvis-loving mobster Johnny, along with speciality dancers and featured ensemble, will lead and mis-lead the audience through a *Boogie Wonderland* to discover the body and place clues to find the killer.

Hustle on down to find what motivates murder amid the music.
