A dancing mystery

Join us at the hottest discotheque this side of the 70s... Drop Dead Disco! Owners, the infamous Blend siblings, Paulie, Esther and Cotton are hosting a special event, the "Staying Alive" dance competition. But sinisterly, it will be "Murder on the Dance Floor" before they are through. Watch closely for the clues and unravel the hustle. Together with Stevie the blind DJ, Hugo the bouncer, Donna the disco diva, MC Crystal Ball, and the shady Elvis-loving mobster Johnny, you'll be led and mis-led in your quest to unmask the killer. So, hustle on down to "Boogie Wonderland" and find what motivates murder amid the music.
